RE: Best Efforts Amended Reports

Dear Mr. Gibson,

A review of our August thru December Monthly Reports raised questions by the Commission concerning the identification of each contributor's employment information listed on Schedule A. You also wanted clarification on our procedures for providing employment information after the report for said period has been filed.

Information obtained from our "best effort" mailings requesting additional information, is entered into each responding contributor's record. An additional monthly contributor report is printed and compared with the original Schedule A. Any additions, changes, or corrections for a particular contributor, is updated on Schedule A and an amended report is filed.

If you have any questions, please call me at (703) 267-1155.

Sincerely,

Mary Rose Jennison
Treasurer
